To Whom It May Concern:

This letter is my personal recommendation for Vienna Bridges. I have been Vienna's immediate supervisor for two years. I found her to be consistently pleasant, tackling all assignments with dedication and a smile. She is an excellent server and interacts well with guests as well as staff

Besides being a joy to work with, Vienna is a take-charge person who is able to present creative ideas and communicate the benefits. She has successfully developed several marketing plans for our company that have resulted in increased revenue.

Though she is an asset to our hospitality service team, Vienna is also extraordinarily helpful in other areas of the company. She is very organized, detail orientated and dedicated to improving the functionality of the facility.

I highly recommend Vienna for employment. She is a team player and would make a great asset to any organization.

Sincerely,
